This DART Rider e-mail notice is sent to you as part of our continuing effort to keep you aware of the services and programs we offer including service changes and system improvements.

DART lends 20 buses to NJ Transit for Shuttling Efforts. The bus train left the DART Beech Street Facility in Wilmington on November 5 to a NJ Transit garage in North Bergen, NJ. The buses used in the DART Resort Transit service, which ended on September 16, are on loan to NJ Transit to assist in their shuttle service to substitute for inoperative rail lines as a result of Super storm Sandy. DART deployed 20 of its employees, all of whom have a Commercial Driver License (CDL), to caravan the buses to north Jersey. The employees came from various positions within DART. One grateful NJ rider contacted DART saying, "We just wanted to write and say thank you for sending buses to our home town of Hoboken, NJ. One of your buses picked us up for work this morning and we are so thankful. We never thought we would want to go to work so much. Thanks again."
